RELEVANT EXPERIENCE

Perca

Walla Walla, WA

Finance & Operations Analyst (Contract)

December 2025 – Present

- Evaluated the financial viability of a capital-intensive wastewater treatment system by analyzing cost structure, revenue potential, and scalability
- Built and refined financial models using operating cost assumptions, pricing scenarios, and sensitivity analysis to assess capital efficiency and support strategic planning

Unsal Partners

Remote

M&A Research Intern (Freelance)

October 2025 – January 2026

- Built an acquisition-target database of energy service providers with 40+ structured data fields and hundreds of entries, organizing ownership, market position, technical capabilities, and acquisition recommendations
- Designed an AI-driven research workflow to automate scraping and summarizing company data from multiple sources, reducing manual screening time by roughly 90%

G3 Enterprises

Modesto, CA

Finance – Sales Operations Intern

June 2025 – August 2025

- Developed dashboards and reports to track sales performance while analyzing sales and customer data to identify trends and support strategic decision-making
- Led an Enterprise Risk Management project by assessing financial and operational risks and presenting mitigation strategies to leadership
- Improved Salesforce data quality by cleaning and standardizing records while building an AI-powered competitor analysis tool that delivered automated insights for sales teams

LEADERSHIP AND ACTIVITIES

Whitman Alpine Ski Team

March 2024 – Present

President & Captain

- Directed operations for a 30-member team, overseeing recruitment, scheduling, training, and travel logistics
- Managed a \$35,000 budget to fund competitions, equipment, and travel while ensuring compliance with school policies

Whitman College Investment Banking Competition

January 2025 – Present

Group Leader

- Led a 3-person team in a collegiate IB competition, building a full valuation model and transaction analysis
- Presented an M&A pitch and investment recommendation to industry professionals and advisors from Birch Creek Advisors

Whitman College Finance Accelerator Program

September 2023 – May 2024

Group Leader

- Led a student consulting team with West Monroe Partners to design and deliver a generative AI strategy for a fictional company
- Presented a business case and roadmap for a proof of concept, highlighting strategic value and ROI potential

Additional Activities: Kauffman Fellowship Venture Capital Capstone Project, Investment Company, Phi Delta Theta Vice President, Economics Club, Outdoor Program Trip Leader
